➤ हम कौन थे...

- **Discussion:** Background of Radhi Kayastha History written and told.

➤ क्या हो गए...

- **Learnings:** It is 90 year ago when our predecessor had organized first formal Summit in the year 1925 at Banka. Since 1925 to 2015 we have had 26 Summits on the Radhi Kayastha time-line. In the year 2016 let us call another Apex Summit RK Maha-Adhiveshan and discuss sincerely on the significant impact of Fast-moving world including but not limited to Society, Culture, Tradition, Language, Employment, Marriage Institution etc. क्या खोया क्या पाया...!

➤ और क्या होंगे अभी...

- **Direction:** In the present scenario, there are many challenges including Identity Crisis, Generation Gap, Cultural Shift, Social disperse. The RK Maha-Adhiveshan gives us an opportunity to contribute the Structured Thought, Wisdom and Basic Outline for Generations to come.

➤ आओ आज मिलकर विचारे ये समस्याएँ सभी

- **Participation:** Let us participate in the coming RK Maha-Adhiveshan scheduled at Delhi to deal with above mentioned issue. Think, Discuss and Draw Footprints for Generations to come which will enable them in bound closely with the system Social and Cultural.
- **Summary:** will be released within 60 days for all RK families all across.

Matter for Discussion :-

➤ **History of Radhi Kayastha**

- Discussion based on literature or referring prestigious and authentic sources. Is it required to be documented separately?

➤ **Learnings of last one century**

- Discussion with reference to social and cultural identity, tradition, behaviour shift etc. What good practices adopted as part of our tradition and culture and what should be avoided.

➤ **Identity Crisis and Generation Gap**

- Discussion ideally to include views of at least three generation in present. Who do we want to be identified as in future in the society? Also, to document the connection to our roots and prepare population database.

➤ **Cultural Shift and Social Disperse**

- Do we need to document our traditions to be available to new generation? Preserving the culture in the era of migration and nuclear family trend due to remote employment opportunity. All the chapter of Radhi Kayastha Sangathan is requested to forward names of person likely to participate this Maha-Adhiveshan and also let us know name of speaker. This will enable us to prepare detailed programme so that none of the speaker is left out without getting an opportunity. This information may kindly be forwarded to us at the earliest but not later than 10th of May ' 2016 to prepare comprehensive programme.
